EXAMINER'S AMENDMENT

A. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Brian Oaks on 2/29/06.

B. The application has been amended as follows:

1. Claim 1:

A method for transmitting traffic having disparate rate components, comprising:
receiving a plurality of traffic streams, each traffic stream including a first component and a reduced rate second component associated with the first component, wherein the first component is a DS-0 and the reduced rate second component is the Channel Associated Signaling (CAS) value for the DS-0;

segmenting the first components of the traffic streams into successive cells; and
distributing the second components of the traffic streams between a defined set of the cells for in-band transmission of the second components in a payload of each of the cells, the second components being positioned at the beginning of the payload of each cell.

2. Claim 23:

A telecommunications device, comprising:
one or more ports receiving a plurality of traffic streams, each traffic stream including a first component and a reduced rate second component associated with the first component, wherein the first component is a DS-0 and the reduced rate second component is the Channel Associated Signaling (CAS) value for the DS-0; and

a reformatting device operable to segment the first components of the traffic streams into successive cells and to distribute the second components of the traffic streams between a defined

set of cells for in-band transmission of the second components in a payload of each of the cells, the second components being positioned at the beginning of the payload of each cell.

3. Claims 17 – 22 are cancelled.

C. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven Blount whose telephone number is 571-272-3071. The examiner can normally be reached on M-F 9:00 - -5:30.
